NEXT MEETING AT PHILADELPHIA

Elks Will Meet Next Year in City of Brotherly Love—40,000 in Denver.

DENVER, July 19.—Philadelphia was chosen by the grand lodge of the Benevolent and Protective Order of Elks yesterday as the convention city for next year. Philadelphia received 495 votes, Baltimore 265, St. Joseph was withdrawn from the contest.

It is estimated at the local headquarters for the Elks reunion that there are now 40,000 visitors in Denver, of whom 26,500 are Elks and members of their families.

The annual grand Elks parade will take place tomorrow and it is expected there will be 15,000 members in line, besides many handsome floats.

A feature of the celebration yesterday was a massed band parade. There were nearly 1,000 musicians in line, Manhattan beach, with its numerous attractions, was thrown open free today to registered Elks and their families, and the "wild west" show and Indian exhibitions continued to be a source of wonder and delight to visitors from the east. Selection of the next meeting place was the first order of business at the session of the grand lodge this afternoon. There was a close contest between Philadelphia and Baltimore. St. Joseph, Mo., also made a bid for the convention.

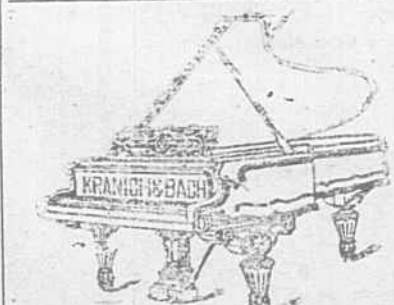

Hon. Jackson V. Blair of West Union arrived in the city last night to look after some legal matters. Miss Hattie Kyle is visiting her father, Mr. Richard Shurtliff, in Fairmont this week.

SOCIALIST CONVENTION

Attempt Will Be Made to Verify the Various Bodies of Socialists—Attendance not Large.

LONDON, July 19.—The general congressional Socialist inter-parliamentary committee opened here under the presidency of James Keir Hardie, the Socialist member of Parliament and chairman of the Independent Labor party. The first action of the Congress was to expel the newspaper men present, the foreign delegates fearing that detailed reports of the proceedings would bring them unpleasantly to the notice of their governments. The attendance was not large.

The European continent was represented by about 25 delegates, including a number of the Russian parliament. The general purpose seems to be to attempt to unify the action of the Socialists in the various parliaments. Neither Herr Babel, the German Socialist leader, nor M. Jaures, leader of the French Socialists, was present. Several woman delegates were in attendance.

A resolution was adopted changing the title of the organization to "Socialist and Labor Interparliamentary committee."

BIG GATHERING OF LUTHERANS

A Rare Treat in Store for All Who Attend the Mt. Lake Park Meeting.

Lutherans, with hundreds from other denominations all over this section of West Virginia, will have an opportunity soon to enjoy a rare treat.

The third annual reunion of the church of the great Reformation in Southern Pennsylvania, Maryland and West Virginia will be held at Mt. Lake Park August 17. It was held a few weeks ago that the Lutherans would be unable to hold their annual gathering this summer, but all the difficulties having been adjusted, it is now assured that it will be a grand success.

Rev. Dr. Hunter, of Baltimore, and president of the Maryland synod, will make the principal address of the occasion in the afternoon in the auditorium. Excursion tickets will be available, and this will be an occasion when many of the people of the city should take advantage of the cheap rates and visit the picturesque regions among the heights of the Alleghenies. That is promised a feast of good things, not only for church going people, but all classes, in the delights of a day away up "in God's country." Visitors from Clarksburg will leave Grafton at 8 a. m., arriving at the Park at 10:07, and will be able to return to the city at 7:38 in the evening.

ICE CREAM FESTIVAL TONIGHT

The Bridge Street Mission will give an ice cream festival at the corner of Monticello avenue and Bridge street Thursday evening for the benefit of the Sunday school. Refreshments will be served, and all are invited to attend and help a good cause.

Mrs. O. J. Kelley and Miss Margaret Fallon of Grafton are visiting friends in the city.

Mr. and Mrs. John Parrill went to Bristol Wednesday to be the guests of relatives for a week.

Dr. Will McGuire of Huntington and Dr. John McGuire of Clarksburg were called here Tuesday to assist in a surgical operation at St. Joseph's hospital. The former left today for Clarksburg on a business trip.—Parkersburg Sentinel.

SELLING SOME FINE HORSES

A. D. Bassell has returned from Kentucky, where he purchased fifteen fine saddle and harness horses. He took them to his farm near Lost Creek, where he has already sold eight of them. Two were sold to Axel Stout today and were taken through here to his home at Wallace today. They are high class horses and meet with ready sale. The remaining seven may be seen on Mr. Bassell's farm.

FESTIVAL

The Ladies' Aid Society of the Adamston United Brethren church will give an ice cream social on the church lawn Thursday night. In case of rain it will be held in the church.

Marshal W. Ogden, a prominent attorney, and Charles B. Highland, a well known merchant, of Fairmont have been here for the past two days transacting important business.

A man who is in perfect health, so he can do an honest day's work when necessary, has much for which he should be thankful. Mr. L. C. Dodgers, of Branchton, Pa., writes that he was not only unable to work, but he couldn't stoop over to tie his own shoes. Six bottles of Foley's Kidney Cure made him a new man. He says, "Success to Foley's Kidney Cure." Sold by Sturm & Wilson.
